Yvette, from upstate, New York, age 21, writes: "I took the emergency contraception..that I got from Planned Parenthood. I am really scared because I do not want to have a child and I do not want to have an abortion. I do not want to be pregnant. I am so scared." We wrote back discussing the dangers of the so-called EC pill, the need for chastity, and giving a referral to a Christian crisis pregnancy center in her town.

Thanks to all who helped us move in to 65 Jefferson

Our Saturday crew on May 3rd – opening day!

One of our new counseling rooms at 65 Jefferson Avenue

Our new location is at the Trinitas Building in downtown Elizabeth. Prenatal care and WIC also have offices in the building so we are able to make good referrals.

Praise the Lord! Dee Dee, who had a heart attack last week, is already back at Gateway.

Please keep her in your prayers.
